Executive board meeting at 9:30 AM

General Membership meeting at 10:00 AM

Greetings to you all and I hope your summer is going well! It's hard to believe that Fall is just around the corner. At our most recent District Convention, I was honored to be elected and installed as your District Commander for the SAL. I appreciate the faith that has been shown to me and I am looking forward to working with our district legion family in this role this year.

My project this year is perhaps a bit different than in the past. With absolute respect for all the projects of the past and projects across the Legion family, my focus this year can be summarized as "Moving us forward by strengthening our foundation". Without a strong foundation, any organization loses strength. In our case, the foundation is based in our squadrons and with every member that is part of our district. My hope and the hope of our Executive Committee is to ensure that resources and support are available to all of you to set you up for not only success but growth.

But the Sons of the American Legion is more than just membership, it's more than just renewals. It is being a proud possessor of a priceless heritage. It's being part of a legacy that we honor by our support for our veterans, for their families, and for our communities. It's doing little things that can add up to big things - that make a difference.

More on all of this will be in future communications, in the meantime, please again know how honored I am to be here as your District Commander and I'm looking forward to working with you this year! Please reach out with any concerns or ideas that you have!

Legionnaires, Auxiliary, Sons and Riders,

I want to welcome everyone to our Department of Minnesota Fall Conference here at River’s Edge Convention Center and Best Western Plus Kelly Inn in St. Cloud. This is the second of five Fall Conferences we have planned for this location. Thank you to the Department Convention Corp. for hosting.

The Fall Conference is our annual school of instruction and, in that spirit, we offer breakout sessions on Friday and a general session on Saturday. They say, “You never stop learning more about the Legion.”

Don’t miss the Outstanding Enlisted of the Year awards and NECman Bill Barbknecht’s national report. You’ll want to meet the leading candidate for the 2024-25 national commander, Jim LaCoursiere of Moosup Post 91 in Connecticut.

We will have sessions about our No. 1 priority: Prevention of veteran suicide. We also offer sessions on MyLegion.org, engagement, being a post or district officer, being a post service officer, legislative engagement, legal matters, county veteran service officers and mentorship, among others.

My theme is “The Road Ahead.” We value our past, but it is time we steady ourselves and make necessary improvements for the future. Your input at department meetings is valued.

There is a meeting of the American Legion Riders after the conference adjourns on Saturday. I encourage you to attend and see what the Riders do. It begins at 1 p.m. in University B.

For God and Country,

Paul Hassing

Commander
